

## “Who Am I?” Reflection

Pre-A.P. English 10 - Mr. Harrison

This assignment is an extension of your online Personality Profiler assignment. If you know that your printout identifying your personality type did NOT include paragraphs, you will want to print this information as you complete this reflection. If your printout DID include the paragraph description in document 1, you have nothing to print (I will return these to you in class).

1. Return to the **College Board website** ([www.collegeboard.org/quickstart](http://www.collegeboard.org/quickstart)). Sign in **at the bottom** of this page.
2. On the next page, you should see a blue spiral image with color-coded boxes numbered 1 through 5. Return to #3 “My Personality” (purple).
3. On this page, locate your personality type near the top center and click on it.
4. This will return you to the “I.D. Me” page (red tab). Locate the word “Introduction” to the left and click on it.
5. On this page, you should see a honey-comb-shaped pattern to the right. Locate your four-letter personality type and click on it.
6. This page will describe your personality in three to six paragraphs, followed by a list titled “Your Strengths Include.” If the printout you have turned in already includes the paragraph description, then **SKIP to #7** below. If you do not have a printout of this page, then you will need to copy and paste it into a Word document, but do not print it yet until after Step 7.
7. Now, look to the left column and notice that the sixteen personality types are grouped into categories (*Traditionalists, Troubleshooters, Catalysts, and Visionaries*). Click on your group type. Copy this information to a Word document and print it.
8. Read these paragraphs. Type a reflection (1/2 page minimum and 3/4 page maximum) on how well this description fits you. You should address which parts of the description *best* fits you, and you may include whether there are parts that you feel do not describe you.
