

“Who Am I?” Poll

Pre-A.P. English 10 - Mr. Harrison

You are to share the descriptions of your personality type with THREE people and to write a reflection on their responses.

1. Share your personality description (including the “Detail Results” with the bar graph) with THREE people and **ask *them* how well the paragraphs and lists describe you.** (NOTE: You do not need to have them read the “Majors” and “Careers” printouts). Take notes on their responses. The three people must include
 - a. one of your parents
 - b. a sibling 13 years or older OR a close friend
 - c. another adult who knows you well (may be a family member, a godparent, a friend of the family, a coach or mentor, or a youth group leader).
2. Compare your reflection on the description of your personality type to the reactions of those you interviewed. Type a new reflection on these responses. Identify the three people you polled and describe their relationship to you. Address their responses. Did they think the description of your personality was apt? Were there particular qualities they recognized in you? How do you feel about their responses?
3. Bring your printed reflection (½ to ¾ page typed, MLA format) to class to be combined with your “Who Am I?” Reflection for a homework grade.
