

Detail

Consider:

To those who saw him often he seemed almost like two men: one the merry monarch of the hunt and banquet and procession, the friend of children, the patron of every kind of sport; the other the cold, acute observer of the audience chamber or the Council, watching vigilantly, weighing arguments, refusing except under the stress of great events to speak his own mind.

— Winston Churchill, "King Henry VIII," *Churchill's History of the English-Speaking Peoples*

Discuss:

1. Churchill draws attention to the contrasting sides of Henry VIII through detail. How is the impact of this sentence strengthened by the *order* of the details' presentation?
2. What is Churchill's attitude toward Henry? What specific details reveal this attitude?

Apply:

Think of someone you know who has two strong sides to his/her personality. Using Churchill's sentence as a model, write a sentence which captures – through detail – these two sides. Share your sentence with a partner.
